THE H.E.A.R.T. CENTER

Education Through Recreation

FAMILY WELCOME GUIDE

A place to learn.
A place to belong.

[Family / student] · [School year]

Welcome to The H.E.A.R.T. Center.

[School contact] · [Website]

WHAT LEARNING LOOKS LIKE

Learning with purpose.

Education Through Recreation

01 Ground

Regulation before expectation.
[Describe the practices that support readiness and participation.]

02 Engage

Learning that moves with them.
[Describe a real example of horses, movement, or meaningful responsibility.]

03 Grow

Independence through real experience.
[Describe how the team notices effort, choices, and growth.]

The useful details.

Keep this page close. Add current school information before sharing.

01 Getting here

[Address, arrival time, drop-off process, and access information.]

02 What to bring

[School-approved packing list, clothing, food, and equipment details.]

03 Staying connected

[Contact person, communication channel, absence process, and policy location.]

HELP US KNOW YOUR STUDENT

Tell us what brings them alive.

A conversation to have together.

01

What do they love?

[Interests, strengths, favorite activities, and experiences they enjoy.]

02

How do they communicate?

[Preferences, tools, choices, and what helps them feel understood.]

03

What makes participation easier?

[Supports, rhythms, transitions, and what the family wants us to know.]
