OUR STARTING POINT

Every student can and wants to learn.

Wildly capable, neurodiverse students.
A school built around real experiences.

LEARNING, IN REAL LIFE

Notice the moment.

[Describe what students are doing, choosing, practicing, or contributing in this real experience.]

[Add one specific observation.]

THE H.E.A.R.T. CENTER

Ground. Engage. Grow.

01

Ground

Regulation before expectation.

[What supports readiness?]

02

Engage

Learning that moves with them.

[What invites participation?]

03

Grow

Independence through real experience.

[What growth do we notice?]
